PROFILE SERVICE

WWW.PRINTMUSE.US

LinkedIn **WHAT'S INCLUDED**

Setup information based on provided resume

Research & concept development based off industry

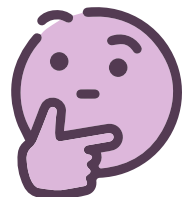

Professional photography for your LinkedIn profile picture

An increase of followers/connections

Engaging content shared/posted weekly

Analytics provided at the end of every month

RESULTS ARE GUARANTEED

THE PROCESS

We will schedule a consultation to better understand your LinkedIn profile goals

Notes will be taken during the consultation, and a concept map of the month will be sent within a week after the consultation is finished for your approval

Once the consultation/agreement is approved and invoice for the month is paid we begin by taking your professional headshots for your new LinkedIn profile picture

We will create a login for your new LinkedIn profile or if you have a current profile already established you can provide us with the login so that we may make the appropriate changes needed

At the end of the month we will provide you with an email of your analytics
(Following, Connections, Views)

**THIS SERVICE IS DESIGNED TO WORK
