

The diagram illustrates the layout of a document with various lines and arrows indicating different types of boundaries and folds. At the top, two upward-pointing arrows lead to the text 'GREEN LINE IS THE FOLD LINE'. Below this, a horizontal double-headed arrow points to the text 'BLUE LINE IS THE SAFETY LINE' and 'ANYTHING THAT IS NOT GETTING CUT MUST BE INSIDE THIS BLUE LINE'. Further down, a downward-pointing arrow leads to the text 'GREEN LINE IS THE FLAP' and 'THIS AREA INDICATES WHERE THE FLAP WILL FOLD DOWN.'. At the bottom, a downward-pointing arrow leads to the text 'BLACK LINE IS THE BLEED LINE'. The diagram shows a series of nested rectangles: a black outermost rectangle (bleed line), a blue rectangle (safety line), and a green rectangle (flap line) that is wider than the blue one. The top of the diagram shows a trapezoidal shape with two upward-pointing arrows, representing a fold.

GREEN LINE IS THE FOLD LINE

BLUE LINE IS THE SAFETY LINE

ANYTHING THAT IS NOT GETTING CUT  
MUST BE INSIDE THIS BLUE LINE

GREEN LINE IS THE FLAP

THIS AREA INDICATES WHERE THE FLAP WILL  
FOLD DOWN.

BLACK LINE IS THE BLEED LINE
